Peter

Susan asked that I forward to minor changes to the letter (if the letter has not already been sent to the Mayor).

- Add a "to" at the end of the first line at the top of the second page.
- the "require" on the second line of the second paragraph should be "requires"

Please let me know if you need any additional assistance with this correspondence.

Sherry--Peter may have Sonia prepare this. Or he may ask TPE to put it into final. The latter may be a problem as our one support staff person is not in. You may want to line up someone to finalize this and put into CCMS in case we are asked to do so. Sean probably could provide a support staff person if it becomes necessary. Susan

I am ok with this. How about you? It needs a "to" at the end of the first line at the top of the second page.
